

Greetings CTLS,

I perform a funny, entertaining, educational puppet shows with 40 puppets, and a book reading with my tiger book to stop bullying (where they all promise to never bully, make fun, laugh at, or stare at anybody ever again).

I will not charge the \$250 appearance fee for all CTLS libraries (on condition that they hand order forms out to the parents of all children attending). In other words, no appearance fees for any CTLS libraries. I will also give a 25% off price off all books ordered by CTLS libraries for the library collection.

I have traveled to take photos of the wildlife on every continent. Your young audience can now visit each continent with my 7 books to learn 10 facts of each animal. Each book has a moral message as well addressing the biggest problems in schools.

I also have contacts with a Texas Animal Shelter that for a fee of \$200 can bring live wildlife animals to the library.

I have done this program in Louisville, Kentucky; in Mesquite, TX; for schools in Arlington, TX; for Prestonwood Baptist; and the Tony Evans School.

Let me give you give you a morning off work, by letting me entertain and educate your library audience or class.

I hope to hear from you soon (214-508-5071 or 1-972-542-7065).

Regards,

Tim Ostermeyer
