Samantha,

Swank Movie Licensing USA, a division of Swank Motion Pictures, provides the Public Performance Rights on behalf of most major Hollywood studios. This license allows libraries to enhance their programming with the use of movies. We find our license helps libraries draw in even bigger audiences and in turn increase patronage. Movie Licensing offers free promotional materials such movie posters, bookmarks, and activity sheets for all customers. Also, Movie Licensing sends out a monthly newsletter full of programming ideas and a quarterly digital magazine called Check It Out.

We would like to offer a discount to CTLS member libraries.
All member libraries would receive 15% off current (2020 rates) on an Annual Public Performance Site License.

To be eligible, libraries must:

- Be a current member of CTLS, Inc
- Send in completed Order Form to Movie Licensing USA by December 20, 2020

Interested libraries should contact me for a quote or if they have any questions.

Thank you,
