Dear Samantha:

Patron Cards Direct, has been in business since 2010 and is quickly growing to become one of the largest patron card manufacturers in North America. As evidenced by our attached testimonials, we have many happy and satisfied customers. What sets us apart is our amazing quality and excellent service. Customers love the card quality, our low minimum order quantities and how we can design unique and beautiful looking cards at no additional cost.

We are pleased to offer a 25% discount to the member libraries of CTLS. The discount applies to any order – even repeat orders. Libraries can mention that they belong to CTLS when ordering to get 25% off their order.

Email is the preferred communication especially since there will be artwork files transferred. Other contact methods are below.

We look forward to working with you and the members!

Sincerely,

A handwritten signature in blue ink that reads 'Mike Bell'.
